• LEARNING SPANISH IN SPAIN •

WELCOME TO SORIA

You will learn Spanish in the best cradle you can find for learning this language.

OUI & YES wants to welcome you. We offer you a summer full of Spanish culture, fun and friends.

Soria is the region where Spanish language is spoken in the most correct way and without any regional accent.

Soria is located in the northern half of the Iberian Peninsula.

It is located on the banks of the Duero River and in summer you can enjoy a warm climate with temperatures between 23° and 28° Celcius (73° - 82° F).

It's a quiet town, where you will be able to walk, shop and practice sports.

Its security and tranquility makes it the safest city in Spain and one of the safest towns in Europe.

Soria has a rich cultural, artistic and natural heritage. It's known as "the city of poets", as along its streets walked, among others, Antonio Machado, Gustavo Adolfo Becquer and Gerardo Diego.
